ORIGINAL ART ABOVE FIREPLACE – "I Last Saw You At Dusk" by PENNY LEACH – Represented by THE ROUGE GALLERY

Artist's Comment – "Curtis and Trevor and I talked about the painting after the myriad of design decisions had been made. The painting is designed to pull everything together... to hint what might be around the corner or down the stairs. Art should do that...push and pull you gently around a room and a home. I Last Saw You At Dusk also pulls in the landscape at the Willows--strong horizontal vistas and vivid lines and shapes moulding themselves into separations and divisions.

- Penny Leach resides in Saskatoon and is represented through the Rouge Gallery.
